# The Ames Laboratory

## GROUP RIDES

This year we are having **FIVE** group rides! One each month during the National Bike challenge. Below are the dates. One \$25 bike shop gift certificate will be randomly drawn at each ride but you must be present to win!

### ⬇️ *group ride dates* ⬇️

FRIDAY MAY

*Whistlin' Donkey,*  
**WOODWARD**

[Redz Bluez Band will be playing from 8:00 pm - 10:30 pm]

Meet at the Whistlin' Donkey at 6:00 pm. We will start riding east at 6:15 pm. Group photo at the bridge. Ride as much or as little as you want then head back to the Whistlin' Donkey for some live music!

FRIDAY JUNE

*Flat Tire,*  
**MADRID**

[Redz Bluez Band will be playing from 8:00 pm - 10:30 pm]  
**FULL MOON!**

Meet at the Flat Tire at 6:00 pm. We will start riding west at 6:15 pm. Group photo at the bridge. Ride as much or as little as you want then head back to the Flat Tire for some live music!

FRIDAY JULY

*Whistlin' Donkey,*  
**WOODWARD**

Meet at the Whistlin' Donkey at 6:00 pm. We will start riding east at 6:15 pm. Group photo at the bridge. Ride as much or as little as you want!

SUNDAY AUGUST

*Flat Tire,*  
**MADRID**

[Sunday FunRide, music and food specials at the Flat Tire]

Meet at the Flat Tire, Madrid at 1:00 pm. We will start riding east at 1:15 pm. Group photo at the bridge. Ride as much or as little as you want then head back to the Flat Tire for some live music (2-4pm).

FRIDAY SEPTEMBER

*Nite Hawk,*  
**SLATER**

[Redz Bluez Band will be playing from 8:00 – 10:30 pm]

Meet at the Nite Hawk, Slater at 6:00 pm. We will start riding west at 6:15 pm. Group photo at the bridge. Ride as much or as little as you want then head back to the Nite Hawk for some live music! This will be our last ride!

**Redz Bluez BAND FEATURING THE LAB'S VERY OWN**  
*Larry Stollenberg and Steve Carter!*

The band will play rain or shine so if it is raining and you don't want to ride come out and support some local music. Also, don't forget your lights if you think you'll be out after dark.

**Redz Bluez**

If you have any questions contact Dan Kayser (kayser@ameslab.gov), or Kerry Gibson (kgibson@ameslab.gov).
