

AMES LABORATORY

PRESCRIPTION SAFETY EYEWEAR REQUEST FORM

Ames Laboratory employees purchase prescription safety eyewear at the Central Stores. Glasses are selected, fitted and dispensed at Central Stores on the days denoted at the bottom of this form. The Ames Laboratory contract with the dispenser covers select frames and lenses. Some of the options (and associated costs) are as follows:

- Frames (F9800, F9900, F4000 and F5000) (\$11.00)
- Single-vision safety plastic or plano (\$28.00)
- Bi-focals (FT28, FT35) (\$37.00)
- Tri-focals (FT7X28, FT8X35) (\$37.00)
- Progressive, visuality (\$65.00)
- Clip-On Side shields (\$1.50)
- Permanent side shields (\$1.50)
- Tints (solid color, gradient or multifocal) (\$6.00)
- Scratch resistant coating (plastic only) (\$6.00)
- UV Coating (\$6.00)
- Polycarbonate (\$4.00)
- Anti-reflective coating (\$20.00)
- Occupational specialty lens (\$40.00)
- Dispensing Fee (\$18.00)

Other frames are available and are subject to additional costs paid by the employee. To order prescription eyewear:

- 1) Print off this form
- 2) Get supervisor's signature and account number
- 3) Get ESH&A approval (G40 TASF)
- 4) Take current prescription (<2 years old) and form to Central Stores and place order.

NOTE: This form only needs to be completed at the time of initial purchase of safety eyewear. Updates such as new lenses due to prescription changes don't require completion of another form unless project funding has changed.
